Background/Supporting Information Attached

The Department of Health and Family Support is requesting authorization to receive \$5,000 from the Minneapolis Public Housing Authority for start-up costs for the new Skyway Senior Center. The Skyway Senior Center, opened on November 1, 2001, is located in the skyway level at the new downtown Target store. This 2000 square foot center provides community space for seniors to gather, participate in educational opportunities, and to recreate in downtown Minneapolis. The Skyway Senior Center, spearheaded by the Minneapolis Senior Advisory Committee is a partnership that includes public and private organizations. The above request reflects efforts to establish multi-partner support for the center.
